

FBC Children's Ministry

A Place for Families

Rev. Judy Frost

Minister of Childhood Education

We had a glorious week at SADDLE RIDGE RANCH last week during Vacation Bible School because God was at work among us. His spirit was evident during Worship Rally, Bible Study, Missions, Music, Crafts, Recreation and Snack. By the end of the day on Friday, 14 children had prayed to receive Christ as their Savior and Lord. Thanks be to God Almighty!!

And we're not finished. I'm following up with each new Christian and Martha Hughes is following up with each of the 32 children and their families who are prospects for our church.

Please continue to pray for the children and adults who attended VBS. Pray specifically for those who accepted Christ and for those who are on the verge. And pray that we will be faithful to Christ's call to go and to make disciples.

Hugs, Blessings and Many Thanks to each of you for helping with Vacation Bible School. You're the BEST!!
