

**ARRIVAL AND DISMISSAL
PROCEDURES
For Vacation Bible School 2009**

You will need to park and come inside the narthex (see map) on the first morning to get your car tag for pick up. Car tags will be available on Monday at 8:30 a.m.

For your convenience, there will be VBS staff at the pick up area (see map) where you can drop off your children from 8:40 - 9:00 after the first day of attendance.

To pick up your children, pull around the circle drive and stop at the next available cone. Please display the car tag on the dash of your car. Your children will be sent to the correct cone for departure.

Thank you for helping us
keep the children safe.
